

COMEUP Rhino Series 8/12/15 Accessories

Wireless Remote Control

Specification/Part Numbers

- COMEUP PN 881262 2.4 GHz within 27 m (90') , RF-24C,
- PN 92100-3 2 function Wireless Remote Control Kit

Detachable Control Box

Specification/Part Numbers

- PN 881581 (12V) / PN 881582 (24V) for Rhino 8
- PN 881645 (12V) / PN 881646 (24V) for Rhino 12
- PN 881645 (12V) / PN 881646 (24V) for Rhino 15

All above come with built-in over-load protector

Sealed Contactor

Specification/Part Numbers

- PN 881355 (12V) / PN 881356 (24V) 400A

Remote Control

Specification/Part Numbers

- PN 880126 switch w/5 m (17') cord
- Comes with protective thermal sensor LED*

Roller Fairlead

Specification/Part Numbers

- PN 882481 179 mm throat

Snatch Block

Specification/Part Numbers

- PN 881082 max. load 13,610 kg / 30,000 lb

Cable Tensioner

Specification/Part Numbers

- PN 883552 for Rhino 12 & 15
- PN 881667 for Rhino 8

Battery Isolation Switch

Specification/Part Numbers

- WS250 2 Position Off-On 12-24V 500 Amp

Emergency Stop Switch

Specification/Part Numbers

- PN 881668 Emergency Stop Switch 400A
